ORMANT®

UNA SOLIDA CERTEZZA

Cura e qualità del prodotto, della organizzazione della rete di vendita, della professionalità dello staff tecnico e **1000 punti vendita** su tutto il territorio italiano. La **certificazione aziendale TUV** garantisce alla clientela qualità e affidabilità oltre al rispetto per l'ambiente e rispetto del nostro codice etico. L'ampiezza della gamma dei prodotti, la **velocità nelle consegne**, la cortesia e l'efficienza nel fornire informazioni, il sito internet completo e affidabile fanno di ORMANT un punto di riferimento per qualsiasi distributore o rivenditore che operi nel settore degli antivibranti e della fornitura industriale. Il customer care dell'azienda garantisce un costante supporto telefonico per risolvere qualsiasi problema tecnico e commerciale.

A STRONG GUARANTY

Attention and quality of product, organisation of sales network, technical staff proficiency and **1000 stores** all over Italy. **TUV's company certificate** guarantees to **ORMANT's** customers quality and reliability in addition to respect for environment and respect for our code of ethics. The large product's range, **fast deliveries**, kindness and efficiency in supplying information, complete and reliable website makes ORMANT a bench mark for any distributor or retailer who works in the anti-vibration mounts industry and industrial supply. Company's customer care guarantees a steady helpline to solve any technical or sales problem.

Supporti motore Engine Mounts							Pag. 4
Antivibranti Cilindrici Cylindrical Antivibration Mountings							Pag. 5-12
Antivibranti di fine corsa (paracolpi) Stop buffers							Pag. 13-14
Antivibranti a Campana e a Cupola Bell and Dome-shaped Antivibration Mountings							Pag. 15-21
Parastrappi, Giunti, Supporti Motore Marine support, Transmission Couplings, Engine Mounts							Pag. 22-32
Antivibranti Conici "Cone" Antivibration Mounts							Pag. 33-37
Collarini, bussole elastiche ed elementi ad anello Antivibration collars, elastic bushes and ring elements							Pag. 38-41
Piedini macchine utensili e auto livellanti Antivibration feet for Tools Machinery and Levelling Mounts							Pag. 42
Supporti quadri, barre, trapezoidali e a U Square base, bars, trapezoidal and U-shape antivibration mounts							Pag. 43-45
Supporti antivibranti a molla cava Spring support with hole							Pag. 46
Soffietti, supporti marmitta, paraoli Bellows, Exhaust Holders, Oil Seals							Pag. 47-49
Antivibranti a soffitto Tipo W e Y, Kit Klima per Staffe e a Pavimento. Antivibration Mounts for ceiling Type W e Y, Kit Klima for Brackets and Floor application							Pag. 50-52

Type OM

Supporti Motore Engine Mounts

Antivibrante con parti metalliche in alluminio e inserti in gomma disponibile in 3 durezza.
Antivibration mounting with aluminium metal parts and rubber inserts available in 3 hardnesses.

Durezza standard / Standard hardness:

Type PFC

Antivibranti Cilindrici Passanti Cylindrical Antivibration Mountings

Antivibrante cilindrico, con foro passante
(quota $\varnothing P$) personalizzabile.

Realizzabili con:

- Doppia rondella zincata bianca,
- Singola rondella zincata,
- Tutta gomma.

Antivibration mount with a through-hole

($\varnothing P$ measure) customisable

Can be produced with:

- Double white zinking washer
- Single white zinking washer
- Whole rubber

Durezza standard / Standard hardness:

55 shore

Su richiesta / On request:

45 shore - 65 shore
